

# Public Information: 2017-18 Enrollment

Our mission to teach teachers and school leaders to prepare all students for school and career success is a **commitment to closing the opportunity gap** – at all levels.

Relay seeks to recruit and retain a **diverse** population of effective and inspiring teachers and school leaders.

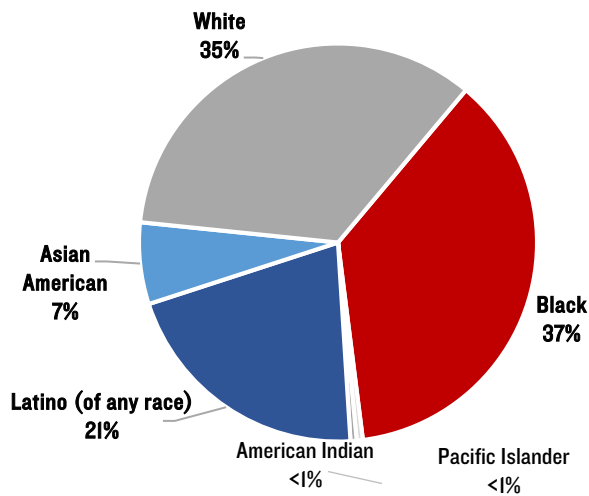

Our student population makes progress toward this goal. As of fall 2017, Relay’s total student enrollment was **3,425**. Of those who reported, **65%** of the total student population identified as people of color. Among students enrolled as Teaching Residents, that figure was **78%** for those who reported.
